RESTRICTION OF FLYING REGULATIONS – JET FORMATION DISPLAY SITES 7 AUGUST- 5 OCTOBER 2008
The Air Navigation (Restriction of Flying) (Jet Formation Display Teams) (No.3) Regulations 2008.

- 1 Restricted Area (Temporary) will be established for selected sites in the United Kingdom to protect jet formation aerobatic teams such as the RED ARROWS. A Statutory Instrument (SI) has been made prohibiting access by aircraft to the airspace within which a formation jet display team will perform within the UK. The SI contains respective details of the locations and areas of the displays, which are listed in paragraph 5; changes/additions to the programme will be notified by NOTAM.

- 2 The Secretary of State for Transport has, therefore, in exercise of the powers under Article 96 of the Air Navigation Order 2005, makes the following Regulations (military aircraft should comply with JSP552 201.135.9):
 - (a) Subject to paragraph (b), no aircraft is to fly within the area bounded by a circle of 6 nm radius, centred on the position specified in column 2 of Table 1 at paragraph 5, below the altitude (amsl) and on the days indicated respectively in Table 1 during such periods of time as may be notified by NOTAM for the purpose of this Regulation;
 - (b) Paragraph (a), does not apply to any aircraft flying within Controlled Airspace or an Aerodrome Traffic Zone, in respect of which there is an appropriate Air Traffic Control Unit, in accordance with the permission of that unit.
 - (c) Where such airspace falls within the territorial boundaries of the Isle of Man or the Channel Islands airspace, supporting legislation has been introduced. This legislation applies within UK airspace only.

- 3 Times for each display will be notified separately by NOTAM.

- 4 Details of Restricted Area (Temporary) feature in the daily AIS Information Line message (0500-354802) and are included on the Pre-flight Information Bulletins (PIB) through the AIS Web site at <http://www.ais.org.uk>
